

Tank Lorry Hose

Complies to BS 3492

Application	: For loading and unloading oil from tank truck.
Tube	: Oil resistant synthetic rubber , seamless tube
Reinforcement	: High tensile synthetic fabric embedded with steel helical body wires.
Cover	: Weather , abrasion and oil resistant synthetic rubber
Color	: Black with red stripe
Surface	: Fabric-wrapped finish, smooth
Operating temperature	: -20°C to + 80°C
Min. bending radius	: 6 x ID
Safety factor	: 4 : 1
Standard length	: 4.5 m
Electrical continuity	: Continuous
Aromatic hydrocarbon content	: 50 % Max.
